Any other Business:

The matter of the publication of the Parish Council Meeting' Minutes was raised by a member of the public. The Clerk replied that there was currently some confusion as to whether the Minutes could be published onto the website before they were approved at the next Parish Council meeting and the Parish Council was currently taking advice on the matter.

The Chair thanked everyone for attending and reiterated the need for more people to come forward to become Councillors to ensure the ongoing viability of the Parish Council.

The Chair closed the meeting.
